Challenge 3
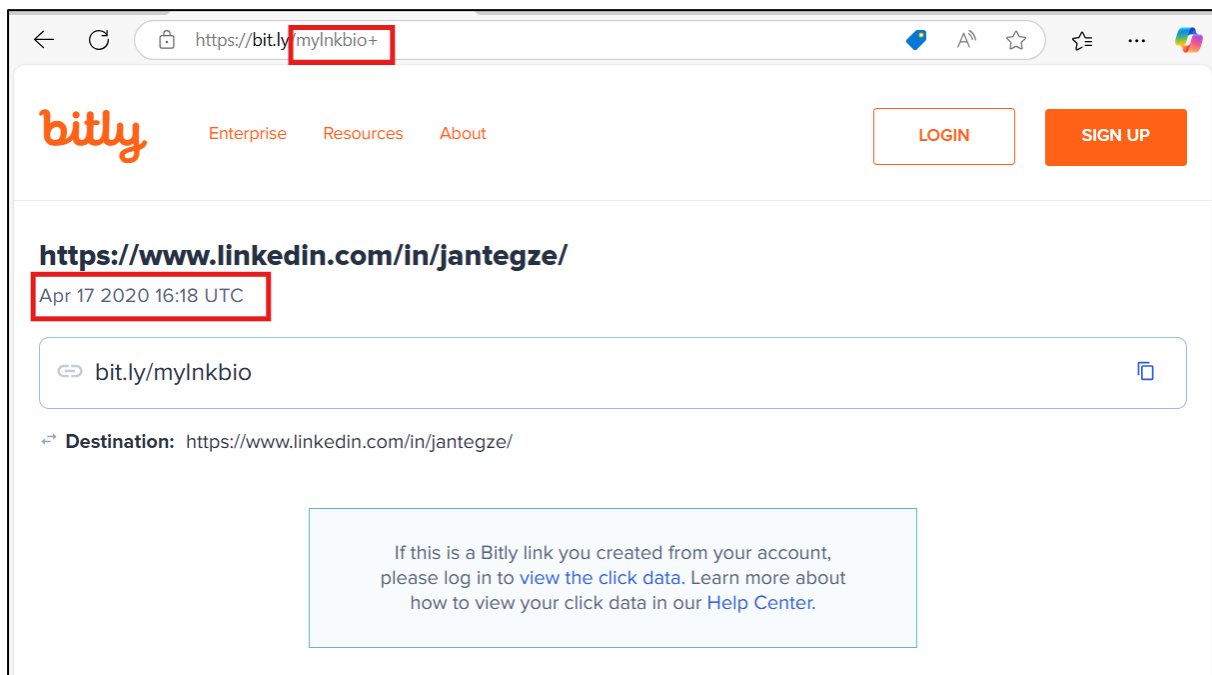

Find the date when this URL (shortener) was created.

Password is Month and Day (eg. "jan" and day "1")

https://bit.ly/mylnkbio

Reference: How to See Where a Shortened URL Will Take You Before Clicking It - Technipages

The details of the bitly links can be found by adding a "+" to the end of the URL.

As seen in the above image, the shortened URL was created on April 17, 2020. So, the answer is **apr-17**
